ARISTOCRAT

www.architecturalceramics.com
**DESCRIPTION**

Aristocrat is also a porcelain tile with an elegant natural stone look in large size formats. Aristocrat has a sand look that makes you feel like you are on the beach.

**INSTALLATION & MAINTENANCE**

Aristocrat may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions. Please note that ACI does not recommend grout joints smaller than 1/16" for ACI Stock material.
