Lead times for specialty & non-stocked items will vary depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

The Portland series is a porcelain tile with a concrete look that is available in two finishes; Honed and Rigato.

INSTALLATION & MAINTENANCE

Portland may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
