A new landmark in the ceramic industry

Landmark Ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US Made top quality porcelain tiles.

“Wood” is a gathering of porcelain tile collections that reflect various natural wood essences. Floor and wall surfaces accurately reproduce the touch and look of the natural material matching different interior decoration styles. The authentic texture and feel of natural wood combines with the excellent technical characteristics of Landmark porcelain tile that guarantees optimal performance in every intended use both residential and commercial.

Contemporary and minimalist, Spirit inspires ambients with a modern and authentic mood, reflecting the original soul of natural wood. Delicate veins and refined graphics add to any space a simple elegance that doesn’t change over time thanks to superior technical performances of the best porcelain tiles.

The colour of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a colour, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

The porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of colour as well as the texture of each piece may vary from tile to tile. Impact the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible colour differences.

This product is manufactured with a V2 shade variation.
**RECOMMENDED USE**

Spirit is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Spirit is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer. Landmark recommends the use of leveler for a proper installation.

**CARE AND MAINTENANCE**

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Spirit tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit [lcusa.com](http://lcusa.com). For further information regarding the care and maintenance of Landmark products.

**WARRANTY**

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at [lcusa.com](http://lcusa.com).
